WARNING - PLEASE READ

Thank you for purchasing a quality Oztrail Product. We recommend that you set up this Oztrail product after purchase to ensure all parts are present and to familiarise yourself with the assembly and disassembly of the product.

- Oztrail Gazebos and RV Shade Awnings are designed as portable and temporary structures, they are not designed to be left up permanently
- Oztrail Gazebos and RV Shade Awnings should not be left unattended in heavy rain. In rain you must make sure water does not pond on the canopy. The weight of the water could cause breakage and cause the frame to collapse.
- Always secure your gazebo firmly to the ground ensuring all peg points and guy ropes are utilised and remain firm. In heavy rain remove canopy to avoid damaging the gazebo.
- Do not fold up the gazebo with the canopy still attached. It could be damaged if caught in the scissor action struts.
- Do not drop the gazebo on the ground when setting up
- Do not force the gazebo open when setting up
- Never pack away damp, dirty or wet. Always allow to dry thoroughly.
